REDCap History

Where is data on the past obstetric history being collected?

Laparoscopic site

Local site

Open the dashboard: 'awaiting data on past obstetric history'

Find the Record Id you are collecting data on and click on 'history'

Find the record Id that needs data collection and click on 'send past obstetric history'

Fill in all fields

Choose 'Complete' and 'Save & Exit Form'

You are now here: 'send past obstetric history'

Press 'Send' To send the data collection form as a survey. Note this survey is unique for each participant.

Make sure your default email system is open. The system will now allow you to send the information to the local investigator. Make sure you have the e-mail address.

Choose 'Complete' and 'Save & Exit Form'
